FAITH IN ACTION

REFLECTION

1. While volunteering with the ministry you chose, how were you living out your Baptismal call to be priest, prophet, and king? Was your action a sacrifice or prayer (priesthood)? Were you telling/modeling for others how to act (prophet)? Were you leading others in some way (king)?
2. What surprised you while you did your volunteering?
3. Would you volunteer with this ministry again? Why or why not?
4. You are called to be Christ in the world today. As you CONFIRM your faith, how would you like to portray Christ in the world today? Is there a quality he has, you would like to emulate (other than performing miracles)?
