FAITH IN ACTION

REFLECTION

1. What surprised you while you did your volunteering?
2. Would you volunteer with this ministry again? Why or why not?
3. How would you categorize your volunteering? Why would you put it in that category?
 - An action of sacrifice or prayer
 - A way of telling/modeling for others how to act.
 - Leading/guiding others
 - Filling someone's immediate need
 - Working to fix a long-term issue
 - Other?
4. You are called to be Christ in the world today. As you CONFIRM your faith, how would you like to portray Christ in the world today? Is there a quality he has that you would like to emulate (other than performing miracles)?
